Destination: Lanterna is a wooded peninsula in the northernmost part of the Poreč Riviera (9 km from Poreč and 7 km from Novigrad).

Resort: Situated in the beautiful natural surroundings of the wooded Lanterna Peninsula. It is adjacent to and forms part of the Lanterna and Solaris apartment complex. The seafront promenade running around the Lanterna Peninsula also connects to Lanterna Premium Camping Resort. A small tourist train operates within Solaris Naturist Camping and between the individual resorts on the peninsula, providing a convenient connection between the resorts and the nearby village of Tar, where there is a large supermarket. The resort features a reception, market, marketplace, bakery, five restaurants, grills and taverns (half board may be ordered in buffet form). A free Wi-Fi zone is available near the reception. One of the highlights of Solaris Naturist Camping is its 2–5 km-long rugged coastline, offering beautiful bays and romantic views of the mostly open sea. The resort has two landscaped naturist pebble beaches, Galeb and Sidro, one of which has been awarded the Blue Flag for its exceptionally clean sea and beach. A naturist freshwater swimming pool is located next to Sidro Beach, together with a water sports centre.

Victoria Accommodation: The Victoria mobile homes Lux are situated in a wooded part of the resort, approx. 400 m from the Galeb and Sidro beaches.

Beach: The 1.5 km-long coastline consists of natural naturist beaches with concrete sunbathing areas, adapted access to the sea, and grassy, partially shaded areas above the shoreline. The resort also features two landscaped naturist pebble beaches, Galeb and Sidro, both with a gentle entrance into the sea, making them suitable for children. We recommend wearing water shoes.

Sport and entertainment: Naturist freshwater swimming pool at Sidro Beach, water sports centre, tennis courts, beach volleyball, multi-purpose sports court and bicycle rental. At an additional charge, guests can enjoy aquaparks, mini golf, pedal boats, kayaks, motorboats, bicycles, trampolines, sun loungers and parasols, or even try an introductory scuba dive. During the main season, professional entertainment staff organise animation programmes for both children and adults. The famous Solaris Carnival takes place every year on August 4. Additional sports and leisure activities are available at the nearby Lanterna Sports Centre.

Tips for trips: Poreč, Novigrad, Lim Bay, Rovinj, Vrsar, Pula, Brijuni National Park and Venice.
